Weekly Report # 2

Tyler York

STATUS SUMMARY

McKayleigh accomplished a bunch (really, it's impressive she was able to deal with T-Money at all.)

We worked together on Monday to begin coding the Performance Group List, Performance Group Information, Hosted Event List, Hosted Event Information pages/programs.

Tyler copied encryption strings from a previous project into this project.

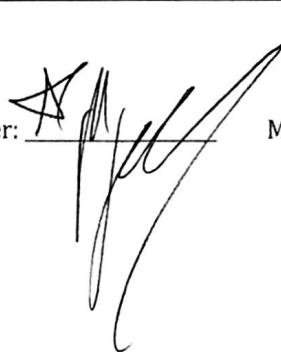

We learned we hate Github. (We don't understand it).

PROJECT TIMESHEET

TASK	TEAM MEETING	CODING	SYSTEM DESIGN	TESTING	DOCUMENTATION	TOTAL
T-Money	2	8	1	1	0	12
McKayleigh	2	8	1	1	0	12
