Weekly Report # 1

Tyler R York

STATUS SUMMARY

McKayleigh accomplished a bunch (really, it's impressive she was able to deal with T-Money at all.)

Tyler worked on CSS and developing the front-end of the login page. He has learned that Bootstrap (while it might be great) is incredibly difficult to work around.

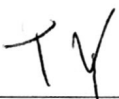

McKayleigh worked on the initial templates for the director portal.

PROJECT TIMESHEET

TASK	TEAM MEETING	CODING	SYSTEM DESIGN	TESTING	DOCUMENTATION	TOTAL
T-Money	4	6	1	1	1	13
McKayleigh	4	0	1	0	1	6
